

Crochet Spring Flower Garland Pattern

I love seasonal garlands With Spring right around the corner I just had to create a new flowery garland. Hope you all enjoy this pattern!

MATERIALS / TOOLS

Yarn: Worsted Weight, assorted colours (USA Worsted Weight yarn is equivalent to UK Aran. Worsted weight yarns are medium thickness and knit up on 4-5½mm needles, making them a good choice for beginners and winter knits such as jumpers and blankets. Light worsted is the same as DK in the UK).

Hook: I/5.50 mm.

GOOD TO KNOW

The number of flowers you make will depend on how long you want your garland to be ...

I made 8 flowers.

After you have made your flowers, weave in ends and block to help shape them. A light press is helpful too.

PATTERN

Flower:

Begin with Magic Circle/Adjustable Ring using Yellow yarn.

Round 1: Chain 2 then crochet DC 11 times in ring, a total of 12 stitches. Pull the ring tight, then slip stitch into the top of chain 2. Tie off.

Round 2: Switch to colour for petals.

Anchor the new colour with a SC ...

Then in same stitch Chain 6, SC, *Chain 1, Skip next stitch, then in next stitch SC, Chain 6, SC*

Repeat around until you have 6 loops for petals. Chain 1 and Slip Stitch into the first SC made.

DON'T TIE OFF CONTINUE WITH SAME COLOR.

Round 3: You will be making the petals by working out of each Chain 6 loop. Each flower petal will be the same as the first one. So, here we go!

*SC, HDC, HDC, DC, DC, DC, Chain 2,
DC, DC, DC, HDC, HDC, SC*

Now repeat in each of the next 5 loops.
Slip stitch in first SC, tie off, and weave
in ends!

Viola! Pretty!

Round 4:

The Garland

Using Green, chain 25, *Slip Stitch in the top of one of the Chain 2 of one of the petals, Chain 15* repeat** until you have attached your last flower and then chain 25, tie off and you are done! Hang and LOOOOVE!
